

ICACII - 2019

The aim of the 1st International Conference on Advances in Computational Intelligence and Informatics (ICACII- 2019), is to provide a platform for researchers, scientists, technocrats, academicians and engineers to exchange their innovative ideas and new research findings in the field of Computational Intelligence and Informatics till the end of 2019. The conference will boost excellent innovations in terms of day to day life and academics. The proceedings of the conference will unleash a package platform for innovative ideas into a single unit.

ICACII-2019 is hosted at AGI-Venkatapur, Ghatkesar, Telangana, India: Dec 20-21, 2019.

We are pleased to invite you to partner with us in this transformational initiative to ensure that our engineering students emerge as the skilled and competent professionals you need. Together, we can create an abundant talent pool for everybody. We are not just seeking your financial support. We seek your active participation and welcome ideas for new projects. We hope to create a platform for you to showcase your innovative ideas for preparing the next generation of engineers, who would contribute to your growth through such industry-academy partnerships.
